

Wainwright M.C. Council Holds Regular Meeting

The Council of the Municipal District of Wainwright No. 41 met in the Council Room of the Municipal District on Monday, the 12th day of April, 1950, as provided for in Section 145, of the Municipal District Act being Chapter 131 of the Revised Statutes of Alberta.

Mr. C. Wilbraham, Returning Officer, called the meeting to order at 10:00 a.m. and declared the results of the Election held 15th March, 1950.

That B. Belanger had been elected for Division 4 for 1 year, that P. T. Smale had been elected by acclamation for Division 5 for three years.

That Mr. N. Arthur had been elected for Division 6 for three years, and that the said Council were in attendance at this meeting and had signed the "Oath of Office" and are qualified to sit as Councillors.

The following Councillors were present: Messrs. Dailly, Castle, Sutherland, Belanger, Smale, Arthur and Archibald.

The Returning Officer declared the meeting open for nominations for the office of Reeve for 1950-51 year.

Mr. Arthur nominated Mr. Sutherland.

Mr. Castle, Mr. Castle that nominations close.

The Returning Officer declared Mr. Sutherland elected Reeve by acclamation until 31st March, 1951, or until a meeting is appointed.

Moved by Mr. Archibald that Mr. Smale be Deputy Reeve for the first six months of the year.

Moved by Mr. Sutherland that the Minutes of 5th March, 1950, be accepted as written.

Moved by Mr. Smale that Winggar, MacIntyre, Anderson and Co., Chartered Accountants, be appointed Auditors for 1950.

Moved by Mr. Archibald that J. A. MacIntyre, E.C., be appointed Legal Counsel.

Moved by Mr. Archibald that Dave Sutherland, Reeve, and Charles Wilbraham, Secretary-Treasurer, or P. T. Smale, Deputy Reeve and Charles Wilbraham, be the signing officials for the Municipal District.

Moved by Mr. Arthur that C. Wilbraham be appointed Assessor for 1950 and that the Reeve notify the Minister of Municipal Affairs as to the appointment.

Moved by Mr. Dailly that Doctors J. D. Wallace, and A. R. H. Oakley be appointed Medical Health Officers for the Municipal District at a retainer of \$10.00 each per annum and \$25.00 per mile for total mileage as paid in former year.

Committee for 1950

Moved by Mr. Sutherland that C. Smale and Arthur be the Finance Committee.

Moved by Mr. Smale that the Council as a whole be the Committee as to the following: Public Works, Health and Public Welfare and Municipal Property.

Moved by Mr. Sutherland that each Councillor be a Committee for his own Division for Pound fund with power to call his nearest Councillor if necessary.

Moved by Mr. Archibald that C. Smale and Sutherland be the Committee for apparatus under the Tax Recovery Act.

Moved by Mr. Smale that the Council as a whole shall constitute the local Board of Health with J. D. Wallace and A. R. H. Oakley and that the first named Doctor shall be the executive officer of the Local Board of Health.

The Reeve to be "Ex Officio" on all Committees.

Moved by Mr. Arthur that C. Sutherland and Smale and Messrs. J. A. Bell and Don Polking shall constitute the Agricultural Service Board for 1950 pending an appointment from the Department of Agriculture.

Moved by Mr. Castle that an one Councillor be authorized to attend the monthly School Division meetings if necessary.

Moved by Mr. Castle that Mr. Sutherland represent the Municipal District on the Board of the Wainwright Municipal Hospital District No. 17.

Moved by Mr. Archibald that the Council meet on the Second Thursday in each month in the Council Room at Wainwright, Alberta, at 9:00 o'clock in the forenoon.

Moved by Mr. Sutherland that cancellations amounting to \$2,387.40 be approved.

Moved by Mr. Archibald that the

LOCAL RURAL ELECTRIFICATION MARKS TIME

Electric lighting for the farm homes around Wainwright is denied for at least a move towards the fact that switches are being out in at many other points in Alberta. The Wainwright Rural Electrification Association annual meeting held at Wainwright on Saturday, 15th April, passed a resolution asking the Alberta Government to conduct another plebiscite on the principle of public ownership and development of rural electrification under the Alberta Power Commission. The meeting considered the plea for the high for the individual farm in order to get power into the yard. Ten members and five Directors and two visitors comprised the annual meeting turn-out, revealing the true picture of local efforts to get power. It requires approximately 45 to 50 farmers within a maximum average of 1 mile of line, able and willing to pay \$150.00 in order to get power into the yard. The general opinion is that at present there are about 25 farmers in the above interest group so no action can be taken in this direction.

Deposits of \$1250.00 have been refunded to subscribers during the past year. The name of the Association was changed by dropping "North" by an extraordinary resolution.

In the election of officers retiring Directors E. N. Arthur, Rufus Carl and R. W. Campbell were replaced by Alfred Woodley, Les Myrland and Robert Haywood. H. Ruste, C. E. Patterson and J. Perkins serve one year and G. N. Boyd, A. E. Kett and R. B. Field for two years. Ruste was re-elected as President at the Board meeting. Les Myrland is Vice-President and Kett is Secretary.

The auditors report revealed \$11.18 cash on hand with no debts.

A motion to permit any individual member to acquire power from the Calgary Power Company lines until the full service is available from the Wainwright Rural Electrification Association Limited was passed. The arrangement is the result of the Association area lying adjacent to a power line privately dealt with by the company but automatically comes into the Co-operative with this organization when the Association lines are constructed.

The meeting following the general meeting decided to await the crop outcome for this season before launching another attempt to sign up the required number of farmers. Under the present Government policy the electrical power enjoyed by towns and city residents will not come to you, Mr. Farmer, you have to go after it yourself.

We received word too late to include in Mr. J. Robinson advert that he has now a stock a new 14 ft. Duplex Cultivator.

she flows! The perfume of all this, overwhelms me to tears. What has she ever done to deserve all these years! Birthdays, holidays and in between. Let us kind - cards in glorious sheets!

The latter gets too rich - And the vessel too small - I have to taste life's little pleasures. Later - you may taste more. This cake won't taste a prize At any County Fair Yet it is more precious. Than any shown there.

Next Sunday the St. Thomas Anglican congregation will commemorate the 40th anniversary of the consecration of their church. On Sunday, May 28th, 1950 Bishop Newham assisted by the Rev. J. H. Alderton, consecrated the present church building. St. Thomas parish was part of the vast diocese of Saskatchewan. The University of Toronto, a college of Saskatchewan, at that time situated in Prince Albert sent out its students in the summer vacations to minister to the Anglican people of the diocese. The Rev. J. H. Alderton travelled this country and laid foundations upon which the parishes of the present day were built. Services were held in homes of the early settlers and the work in this area was commenced in this manner. Many of the parishioners attending St. Thomas today can remember services being held in the home of Mrs. Pawling, who passed away last year. With the growth and permanent settlement of Wainwright the Anglican people of the diocese should be built. Men and women of the congregation worked hard and finally early in 1910 the church was ready for worship. An interesting book in possession of the St. Thomas Vestry relates that services were held a few years prior to 1909. One service was held in the old Grand Trunk railway room. The Rev. J. H. Alderton was the first rector, and he has written a note in the first service register, "Geo. George took over as People's Warden April 17th, 1909. The first service to be baptized in the new church were: Marquette Foster, Harry E. Riddard, Mabel E. Watson and Evelyn Wakefield. The first wedding conducted by the Rev. G. N. Finn, who signed himself as the "Rev. clergyman" was that of a daughter of the Rev. J. H. Alderton, was between Lewis Mott and Elsie Mortimer. The church has been enlarged and completely furnished through the years and the present edifice is a small but beautiful testimony to forty years of labour and devotion by the parishioners. The well appointed interior is half way to 1940, it is free of debt and so constructed that when necessary a church can be erected on the foundation.

Next Sunday there will be a Parish Thoroughgoing Communion Service at 11 a.m. at which the Bishop of Edmonton the Rt. Rev. W. F. Barfoot will be celebrant and Fraser. In the evening the Bishop will present twenty seven persons for the Apostolic Rite of Confirmation. Following the service there will be a Fellowship Hour in the hall.

Tonight the St. Thomas W.A. organized in 1909 will start the Fortieth Anniversary Celebrations with a Cafeteria Supper in the parish hall. A special birthday cake will be cut and the cake will be distributed to all attending the function. An exhibit of the early days has been arranged and many interesting photographs will be shown, together with a number of menus of Harvest Suppers given in those days, by the W.A.

Grades I and II Stage Pleasant Affair At Irma School

On April 8, the Grade I and 2 pupils and their teacher Miss Touchette, of the Irma Primary Room played hosts to their mothers and younger brothers and sisters. Miss Tweedy and Mr. and Mrs. Blumson were also present. The occasion was the culmination for a Home Unit Enterprises recently studied by the pupils.

The room was pleasantly decorated with flowers, with on corner of the room featuring a play house with three small furnished rooms. The afternoon began with a short program put on by the children. The first number acting as chairman. The program was made up of: (1) A song dedicated to the mothers by four girls. (2) A playlet on the "Columbus" story. (3) A short play on the story of the readers and using the play house as a setting. (4) A song with action—this is the "Way We Learn to Sing". (5) A short play by one of the boys in which he explained "How We Build Our Play House". (6) A song for Father by five of the boys. (7) A recitation by the girls. (8) A play by the boys. (9) Using the play house in the play house three girls sang "My-Lo-Baby Bunting". (10) A dramatization of a selection from their reader was given by seven of the grade one pupils. (11) Four boys sang a part song "The Blue Birds of Scotland". (12) As a final number, the class sang "We Build a Happy Easter" by singing "It's Easter Today".

Following this very well presented program, the class turned to singing. The pupils and their teacher, was served.

Mrs. Blumson poured tea for the ladies present and the children enjoyed a cup of cocoa.

Some of the children acted as waiters and waitresses and made sure that the guests received sandwiches, cake and cookies.

Following the lunch, the children proudly took their mothers on a personal tour of the room and pointed out special items of interest.

Mr. Blumson then spoke briefly to the mothers and children present. He complimented the children and their teacher on a fine program and expressed his opinion that the opportunities afforded by the visit would help the mothers understand more fully the aims of the school program, and the problems that pupils and teachers must learn to solve.

A RECLUSE (By Mrs. E. L. Church, Edmonton)

I have no urge to lead the world, Nor gather what she loses. I, myself, should fate bestow, Would leave my life to her, you know To live as well it chooses.

I have said: I have the earth; I have the rain and lightning; I have the flowers, and grass that grows.

And every truth man-fellow knows, Wherever his wit he's brightening.

I have some work to do, a thing To make, and time is going. My fellow-man has all he needs; And if not, me he never needs. I have some seeds for sowing.

I have some cloth for making gowns, A pattern for a table. You see, I would not happy be, Though you would make, those things for me. And also, I am able.

"First-Footing," a Scottish custom, means that the first person to enter a new house must bring a bottle and give you a drink for good luck.

Card of Thanks

I wish to express my thanks to the Doctors, Nurses and Hospital Staff for the care given me during my stay in the hospital. Also thanks to those who visited me and sent cards.

MRS. F. HINSHAW

FOR SALE—Late Model John Deere D Tractor with starter, lights, fluid power take-off. Price reasonable. Apply to Star-Chronicle, Box A. (46p)

WEDDING BELLS

Congratulations are extended to Mr. and Mrs. J. Cumberland (nee Irene Collette) who were married Monday.

Also congratulations to Miss Kathleen Scherger and Roy Tester who were united in marriage Monday. Both couples were issued many years of happy married life.

TOWN TOPICS

We heard some comment from a friend the other day that really made me think long and hard. He said, "I have a lot of us only see our own town so much that we forget how things are done on the outside. Anybody who has been out of town for a while, remember that name vaguely from the hockey season—and had been quite impressed."

What amazed him most was the fact that he drove into a service station there and had his car literally attacked before he was even asked what he wanted. The attendant and window washers were washed, oil, tires and water checked; water put in battery. Then after all this free service was completed, he was told to go.

F. E. McLeod Heads Hospital Trustees

Minutes of the regular monthly meeting of the Board of Trustees of the Wainwright Municipal Hospital District No. 17 held on Saturday, April 8th, 1950 at the hospital.

Members present: Vice-chairman Mr. F. E. McLeod, Trustees Mr. D. Gardiner, Mr. T. T. Basley and Mr. H. A. Ruste.

Moved by Trustee Gardiner that the minutes of the previous regular meeting be adopted as read.

Moved by Trustee Ruste that the hospital, to be in agreement with the policy set by the Ash-Temple Co. for supplying gas, purchase four small oxygen tanks from the company.

Moved by Trustee Gardiner that an order be placed with the Droppers Nurseries for some perennials to be planted on the hospital grounds.

Moved by Trustee Basley that a letter of thanks be sent to the War Service League for their donation.

Moved by Trustee Gardiner that a letter of appreciation be sent to Mr. D'Albertainson for the papers he sent to the hospital for distribution to the wards.

Moved by Trustee Gardiner that the existing contracts with the Irma Municipal Hospital District and the Hughenden Municipal Hospital District be extended until December 31st, 1950.

Moved by Trustee Ruste that the report of the Finance Committee be accepted.

The accounts were presented for approval and payment.

Moved by Trustee Basley that accounts amounting to \$7,326.94 be approved and the cheque cashed.

Moved by Trustee Ruste that the janitors' salaries be increased \$7.50 each per month effective May 1st, 1950.

Matron's report for the month of March as follows:

No. of admissions 143
Medical 12
Surgical 30
Obstetrical 18
Infants born 12

No. of patients carried over from previous month 26
Total in-patients 178
No. of out-patients 76

Total No. of patients for month 254

Deaths 4

Moved by Trustee Gardiner that the Matron's report for the month of March be accepted.

Moved by Trustee Ruste that a letter of thanks be sent to the Fyhan Club for their donation of slippers for the patients.

Moved by Trustee Gardiner that a notice board listing regulations governing visiting hours be obtained and posted in the hospital.

Moved by Trustee Gardiner that a busser system be installed to the third floor and the basement in the old building.

Moved by Trustee Basley that the resignation of Mrs. McCallum, Matron, be accepted.

Moved by Trustee Ruste that the X-ray and Laboratory section should be divided into two departments and another technician taken on staff.

Moved by Trustee Ruste that permission be requested to purchase a hand operated slicer at an approximate cost of \$185.00.

Election of Officers for the year 1950

Nominations for Chairman were called.

Mr. F. E. McLeod was nominated for Chairman by Trustee Ruste.

Moved by Trustee Basley that nominations close.

Mr. F. E. McLeod was duly elected as Chairman for the year 1950.

Nominations for Vice-chairman were called.

Mr. H. Ruste was nominated for Vice Chairman by Trustee Gardiner.

Moved by Trustee Basley that nominations close.

Mr. H. Ruste was duly elected Vice Chairman for the year 1950.

The following committees were appointed by the Chairman:

Finance: Trustees H. A. Ruste, Trustee D. Gardiner, Trustee T. T. Basley, Trustee F. E. McLeod.

House and Property: Trustee T. T. Basley, Trustee F. E. McLeod, Trustee D. Gardiner, Trustee H. A. Ruste.

Moved by Trustee Gardiner that the committees as appointed by the Chairman be approved.

Moved by Trustee Basley that the meeting of the next regular meeting be held Saturday May 13th at the hospital at 1:00 p.m. C.D.

O.O.R. Notes

Sincere congratulations were extended to Lady Ida Dundas on her appointment as District Deputy for Chauvin, Wainwright, Vermilion and Lloydminster. Mrs. Dundas is a past Honored Royal Lady and is at present acting as the local Lodge. This is a great honor for our member, who is a loyal and conscientious worker in the Lodge.

A \$10.00 donation was sent to the Red Cross.

Plans were made for a visit to the Vermilion Lodge in the near future.

ONE HALF DOES NOT KNOW

Last week while in Calgary, we got ourselves into a rather sharp argument by stating that not all farmers were prosperous; on one hand with a weekly editor and on the other with a quite widely experienced man who fills an important post in close association with the farmers of the province. They both seemed quite convinced that practically all the farmers in the province were living in abundance.

When we offered to show them around our own district and give them a few examples of the fact that there are farmers even today who are not living in the lap of luxury they seemed to think that your editor was (1) unpatriotic to his community by admitting that such conditions existed and (2) very likely doing a bit of exaggerating.

Almost in the same breath one of them bemoaned the fact that Easterners did not fully understand conditions in the west.

It is indeed nice to think that very farmer in Alberta (with the exception of a few your Editor knows) is living in rosy prosperity.

Naturally we are gratified in knowledge of the fact that the condition of the farmers economic standing has improved greatly now over what it has been in the past, but feel it unfortunate that those in high places fail to realize that it is not all milk and honey. It seems to us that it is not only the Easterners who are poorly acquainted with conditions on the farm.

ANOTHER CALL FOR CASH

Once more we are being asked to part with a portion of our hard-earned cash in the interests of public welfare. This time, as we are all aware, the request is being made by the Canadian Cancer Society.

The funds of this organization are used in a number of different ways in their battle against this terrible but often curable disease. First they are making a concerted effort to create a cancer-consciousness, an awareness of the danger, and educating people to a better knowledge of the symptoms and warning signals which indicate possible presence of the disease.

Their funds are also used in the diagnosis and treatment of the disease, bringing the best in medical advice and attention within the reach of even the less fortunate of our citizens. Finally they use their funds and donations to help in the provision of dressing and other needs for home patients who are suffering with cancer.

No doubt the few of these duties are most important, and anyone who has seen a person suffer and die from this dread disease will be only too anxious to take part in the work of the Society.

You are asked to make your donation voluntarily, and this may be done by either sending or giving it to Mrs. Ed. Turner, or to the Canadian Cancer Society, 10925 Jasper Ave., Edmonton, Alberta.

SUMMER SPORTS

Now that a very good winter of curling and hockey has drawn to a welcome close we are turning our attentions to the summer sports program. Summer sports, like winter sports, are divided into two main groups, participating sports and spectator sports. Tennis, golf and "friendly" games of softball and baseball, might be classed as participating sports, while good softball and baseball are sports of the spectator type. Experience over the past winter has indicated that the desirability of going in for spectator sports in the best fashion possible, and indicated that while the profits may be large, (may even result in a deficit), much greater satisfaction is gained, and the sport is built up to a place where it becomes a source of satisfaction when real efforts are made to raise its standard.

For a number of years now, baseball has been in the doldrums. Poorly organized teams have seen it drop to a standard where it loses much of its attractiveness to the average fan. Unless you attend the games as the supporter of one team or another, you're not too apt to find great satisfaction in mediocre baseball. This is particularly apparent at sports days, where baseball is the leading item on the program.

The fact that no elaborate arena facilities are required, and that travel on district roads is generally good provides the opportunity for the establishment of a liveable local baseball league, which will do much toward providing a summer of good fun, and adding much to the attractiveness of the local sports days.

Wainwright itself is sorely in need of both a better place to play baseball with adequate bleachers, and a better team. It is hoped that the Chamber of Commerce, which has undertaken the operation of baseball here this year, will be successful in re-establishing baseball in its rightful place, and that their efforts will be met with good public support.

Organized sport is costly, and it cannot be provided unless the general public is willing to co-operate by their attendance at games and support in general.

In the participating sports picture we find golf already going well at Wainwright, and it is hoped that the tennis court will be well patronized. In Edgerton and Chauvin, on the other hand, there is no golf, and the tennis courts have gone back to weeds. It is too bad that tennis should be overlooked. It is a good game, can be played by both sexes and affords an excellent chance for inter-town competition. Softball, on the other hand is still going strong, and while the pendulum has swung back to baseball to some extent will remain as a popular game due to the low cost of equipment and its similarity of America's most popular summer game.

Sports are a valuable means of getting people together for fun and healthy competition. May we look forward to a good summer of lively sport!

COOL AND CALCULATED

We sometimes wonder if there is not a submerged wish in the hearts of many Canadians to see our economy collapse. Some of the utterances of the past few weeks have had a very morbid inspiration. Why is the brain of man so confused. Many of those giving voice to what they call the New Order must know that they, themselves, would be entirely consumed by it. With all its faults, no new order has flashed upon the horizon to bring an equal degree of freedom and material benefits as the human animal is a capitalist at heart. He wants to own his own home. He wants the fruits of his own labor. He also wants a fair share of the bounties of nature... and right well does he deserve them. Now, stop and think yourself, where do most people enjoy the most of these bounties?

—The Camrose Canadian.

"TRAPPINGS OF MONARCHY"

Joe Rutledge Says

By Joseph Lister Rutledge

SEVENTY-CENT HIGH

A few weeks ago many Protestant churches held their annual meetings. The figures there made public must have led more than one curious person to do some rapid figuring. The results were startling. The annual contribution of members for all churches ran from an average of \$20 in some instances to upwards of \$60 in others, but the average was a high of \$38. That was for a group of 55 churches of all denominations, and all sizes in one average locality. Granted that this argument is not broadly based enough to be conclusive. Granted that many church members gave unthinkingly even to and beyond the 10% tithe of Holy Writ. Granted that individual churches sometimes stood up nobly in relation to their abilities. But the average still stands—70 cents a week for the work of the Lord we serve, and the assurance of some measure of the Kingdom of God on earth.

One of Napoleon's maxims was to the effect that, "An army marches on its stomach." Recently a lay representative of a great church set himself to applying some such practical maxim to this problem. He began by arguing that our very word "giving" was out of

character. You don't speak of giving, he urged, when you pay the landlord for the roof over your head, or the doctor for keeping you alive. You recognize these as obligations due for benefits received. But, when it comes to the church we speak of the payment of our obligations as giving.

We send our children to Sunday School, because we believe it important for their future wellbeing as citizens and Christians. To that end we provide them with five or ten cents to carry on the work. But Saturday we cheerfully provide 25 or 35 cents that they may keep company with the Lone Ranger. The young man who spends \$5 or \$10 on an evening for the girl of his heart would feel a little ostentatious if he put a dollar on a collection plate, while the young lady confident of the worth of a \$5 "hair-do", would be somewhat less sure of the 25-cent contribution on Sunday.

But why berate the young? Their elders who will ultimately provide the elaborate wedding will probably feel that \$10 to the clergyman handsomely settles the spiritual side of the occasion. So with our passing. The provision in the will for "funeral expenses" covers the cemetery and the undertaker, worthy but profit-making under takers, but it by-passes the Church. Yet it is to her ministers that the dying and the mourners look for comfort and assurance, and it is to them that we all turn for a sense of stability in a troubled world.

Perhaps we need to revise values. Perhaps we must come to recognize that free as salvation may be, its human ministers, its human agencies still live in a world where the maxims of Napoleon hold good; that the hands that help are scarcely less blessed than the lips that pray.

I've Been Thinking

More About Bill 50
H. G. Teskey

Now that the County Act has been passed the time for criticism is over until the counties are seen in action. However, I find it interesting to conjecture how successful they will be, and what changes may eventually be made to the legislation incorporating them. Naturally, I am particularly interested in the way education will be affected; others may be more concerned with the effect on hospital management.

Undoubtedly the purpose of Bill 50 is to take from school and hospital boards the right to spend as much money as they please. The municipal council naturally resents being obligated to assess ratepayers for school and hospital purposes without having any voice in how that money is spent. The councillors perhaps feel that as they are the collecting agents, they are primarily responsible to the ratepayer for the effective use of the taxes. There is no good reason for such an opinion as all ratepayers know that the council is legally obligated to pay whatever moneys the other boards requisition. The council sees to it that the ratepayers know what proportions of the assessment are allocated to schools and hospitals.

The success of the counties would seem to depend upon the ability of all of the county councillors to comprehend to the full school and hospital needs. If they do not do so the conditions of education and health may quickly deteriorate. Whereas we now put control of these services in the hands of interested and more or less expert and experienced persons, control in the counties will be shared with less interested and less highly specialized persons. If the councillors have the good sense to realize that lack-of-all-trades do not make a marked success of anything and are willing to abide by the recommendations of the committees set up to administer education and hospitals, all may be well.

Four counties are being set up at once for experimental purposes. But an experiment is a success only in so far as the experimenter approaches the

THE WEEK AT OTTAWA

by the
Canadian Press

Yet another attempt to broaden the grounds for divorce in Canada has proved unsuccessful.

Just before the House of Commons adjourned for its Easter recess, David Croll (Toronto-Spadina) proposed setting up a special committee of the House to consider enlarging grounds for divorce.

The proposal met with even more concentrated resistance than in 1939 when this question was last debated in Parliament. The bill to broaden divorce grounds passed the Senate and gained some support in the Commons, but finally the Commons shelved it by a vote of 102 to 55.

On this new try by Mr. Croll there wasn't even a vote, and of the six M.P.'s who spoke on the resolution only one backed up the Toronto member.

In consequence Mr. Croll withdrew his resolution. He said he wanted to test the opinion of the House and had found it negative.

Earlier, he pleaded for widening of the grounds of divorce to include desertion of more than three years, gross cruelty, incurable mental disease after five years and legal presumption of death.

He said Canada's present laws no longer adequately reflected the public need or the public mind.

"Our divorce laws are among the most restricted in the western world. If a high time on all-time post the divorce courts of this country and do away with perjury, collusion, connivance and fraud. In my view the present law is unjust."

Mr. Croll emphasized that he was not trying to increase the rate of divorce. He was trying to put divorce on "an honest basis." Marrieds did fall and divorce was an admission of that fact. Divorce was not the cause of failure.

He said that the present stringency of the law made divorce "an unpleasant, hole-in-the-corner business, with hotel bedroom scenes and the paid evidence of detectives."

Immediate opposition to Mr. Croll's argument came from three Roman Catholic M.P.'s. Only G. S. White (PC-Hastings-Peterborough) supported his resolution as "reasonable and sensible."

The question is not expected to be raised again this session.

Deer to Live
Something Canadians have known from prehistoric times is that the deer for some time—that the cost of living is higher than it has ever been—has been made official in Ottawa.

The Bureau of Statistics report an unparalleled increase in rents, which combined with a sharp increase in food prices, pushed up February living costs by 1.1 points to an all-time high.

Cold, hard figures backed up the housewife's lament. The cost-of-living index touched 153.7 points, compared with 151.5 in January and the previous high of 152.5 in July, 1949. The index was calculated on the basis that 1929-39 costs equal 100.

But rents made the biggest jump.

THE TRACTOR YOU'VE WAITED FOR!

The Famous
FIELD-
MARSHALL
Diesel Tractor
Is Here!

HIGHEST PERFORMANCE — LOWEST OPERATING COSTS

1. Outstanding simplicity. The single cylinder Diesel engine has only 3 prime moving parts.
2. Instant starting even at sub-zero temperatures by means of power cartridge.
3. Farmers confirm that the handling and maintenance of this tractor are so simple, the difficulties even to unskilled operators.

4. Working Speeds — 1.8, 2.4, 2.8, 3.5, 4.0, and 6.0 M.P.H.
5. Low depreciation over the years. No battery, no starter, no magneto required.
6. Astonishingly low fuel consumption. Operates on used crankcase oil or unrefined low-grade crude.

LET US PROVIDE YOU WITH COMPLETE INFORMATION ON BOTH CRAWLER AND WHEEL TYPE FIELD-MARSHALL DIESEL TRACTORS.

WITH THE DISTRICT AGRICULTURIST

By J. S. ROBBLIES

BULLETINS AVAILABLE

There are all types of bulletins available at this office free to farmers on all phases of farming. The bulletins are written by men making a life study of different phases of Agriculture and cover such topics as Feeding Live-stock, Control of different weeds, 2-4-D and its application, seedling and caring for forage crops, Poultry Husbandry, looking after farm machinery and many other topics related to farming.

These bulletins are here for your use. Please feel free to come in and get those you may be interested in having.

OFFICE ROUTINE
Now that spring is nearly here, I expect to be away from my office a good deal of the time. This district that I work in is 60 miles square and I have to visit other towns in the district. As soon as the roads are passable again I will be away from headquarters from Tuesday till Friday. I try to be in here every on Mondays and Wednesdays mornings. The office will be open however every afternoon and the stenographer will take and record any messages that may be left.

SCHOOLS OF AGRICULTURE
The school term for 1949-50 has ended for this season. It is time now for prospective students to get their applications in to Vernation, if they want to attend the 1950-51 term.

Applications for admission are available at this office. Minimum age for entrance is 16 and applicants must have at least a Grade 8 standing from school in order to enroll.

The cost for the school for one year is approximately \$250.00, this includes board and room, text books and tools necessary for each student. Student spending money is not included in the \$250.00.

NEWS NOTES from your

Dist. Home Economist
Sheila M. Forrest, Ryley

Hello Homemakers:
After watching the judging of recent sewing course held here in Ryley I have noticed a few things that we can all do so as to improve our home sewing.

Be sure to press seams open when you finish them. Exceptions of course are most seams, gathered yokes and sleeves.

Finish seams well. If you wish to pink the seams fine but be sure the material will hold. Spin rayons and most wash cottons are better with a turned and stitched seam or overcast. This applies to loosely woven woolsens as well.

Be sure to read your pattern carefully and take the seam allowance your pattern gives. Practically all patterns allow one half inch seams and some allow five eighths of an inch. If you do not take a wide enough seam and finish it well you will be restitching them after two or three washings. Pre-shrink all fabric before cutting and sewing. Even if they are to be dry cleaned there is a chance that they will shrink under the process especially when they are steam pressed. Naturally if a fabric is marked, Sanforized this is not necessary.

Be sure you edge beate collars and facings when you turn them. Other-

wise you do not get an even finish. When you are putting up a hem use steam binding in a matching color for heavy fabrics and turn and stitch a narrow hem before catchstitching a cotton.

Never use a double thread for hand hemming and do not use coarse thread in fine fabrics.

Press garments well before they are worn—a most attractive appearance attracts the eye of the judge as your friends. If the material is especially hard to press have a professional job done.

I have probably missed a few points but these are some of the common errors. If you are not sure of facings, pocket finishes, check a good book on sewing.

All of the pattern manufacturers have published books on this and have are reasonably priced and good guide to help you through your problems.

For added information on shippers, blouse buttonholes, and binding write for our free pamphlet—Short Cuts to Sewing.

With the FIELD SUPERVISOR

By F. W. Maddez

NATIONAL FILM BOARD

I previously announced that the 1949-50 agreement between the National Film Board and the Municipal Council had terminated March 31st, 1950. I also announced that unless arrangements were made by the ratepayers to provide equipment etc., the showings would be discontinued under the sponsorship of the Municipal Council.

I was given to understand recently that the National Film Board is prepared to enter into another agreement with the Municipal District of Wainwright No. 41 for the distribution of films for the season of 1950-51. The agreement would be similar to the one just terminated. Another season under the previous (or similar) agreement would provide a much better chance to raise the necessary funds to purchase equipment to be permanent in the district. Those districts contributing to the fund would naturally have priority over the service. There is still room for three or four more districts on the circuit, so I would like to suggest you make a request as soon as possible in order that the Council will be familiar with the demand before fall.

I am very happy to announce that the National Film Board considers the M.D. of Wainwright Circuit as one of the largest distributors of films in North-Central Alberta. Our educational programme, particularly in agriculture, is outstanding so far as films are concerned. I think this is something we can be proud of, and it should be the interest of you as ratepayer to see that you don't lose it. A committee, consisting of farmers, is being formed to discuss and propose a programme to be presented to the council for a future educational film programme.

CONDEMNATION NOTICES

There are still a number of farmers who have not contacted our office with regards the restrictions placed against their land in 1949 under Section 46 of the Notorious Weeds Act of Alberta. Any farmer having restrictions on his land, either from the year 1949 or in previous years, and does not contact this office prior to commencing seeding, we will consider him as having to summarize the low the acreage under restriction. Any notice to prohibit the seeding of land continues to be in effect until

such time as consent has been given in writing by the Weed Inspector or Field Crops Commissioner. Any farmer having restrictions, and who does not receive cropping instructions for 1950, and upon inspection his land is found to be cropped, will be dealt with under section 56, or, "penalty for non-compliance with inspectors' requirements" of The Notorious Weeds Act, R.S.A. 1942". In order to avoid any unnecessary action on the part of this office, I would like to suggest that you contact me before seeding.

APPLY FOR TREES BEFORE LAND IS PREPARED

Because of increasing interest in farm tree planting throughout the Prairie Provinces it becomes more and more evident that prospective planters should contact the Forest Nursery Station, Indian Head, Sask., as soon as a decision to plant trees has been reached, says Superintendent John Walker. Many prospective planters do so, but a great number proceed with soil preparation, often keeping it under cultivation for two years, before enquiring as to the availability of trees. In many such cases postponement for another year may be necessary if trees are not available for planting the following spring.

When enquiries are received there are forwarded to applicants: Application form; Copy of Circular No. 1

A pamphlet dealing with soil preparation for trees—and if trees are not available for planting the following spring.

A circular letter containing further details about Departmental Tree Distribution Policy.

Advice given in this circular letter is to the effect that the completed application should be returned NOW to the Forest Nursery Station, Indian Head, Sask., even though land may not be adequately prepared for trees or trees may not be wished or available for planting the following spring. Frequently applicants fail to follow this advice and postpone doing so until land is ready for the planting season is approaching.

When applications are on file, (each applicant has a separate file and locations are on the active list the Station retains contact with planters by questionnaire, usually in July. This is done each year or until planters state that no additional trees are required. There is no guarantee that trees can be supplied to planters who postpone their applications until a few weeks prior to tree shipping and tree planting season. Supplies of trees are not unlimited.

Time Out FOR Laughs

A westerner entered a saloon with his wife and three-year old boy. He ordered two straight whiskies.

"Hey, Pa," said the kid. "Ain't mother drinking?"

"Mary aren't you getting too big to play with the boys?"

"No mother, the bigger I get the better I like 'm."

Irate driver: "Some of you pedestrians walk around as if you owned the streets."

Pedestrian: "Yes, and some of you motorists drive around as if you owned your new cars."

And then there was the moron who cut a hole in the rug to see the floor show, and then covered it up because he didn't like dirty cracks.

HEATH

Mr. Jim Ford is a patient in the Wainwright Municipal Hospital and we wish him a speedy recovery.
Miss W. W. Anderson of Sutton, Ont., who visited with Mr. and Mrs. P. J. Boucher for the past several weeks left to return to her home last Wednesday.

Mr. J. Hedlund of Turner Valley visited his aunt, Mrs. Warner, and brother Albert the latter part of last week. Mrs. Warner hasn't been very well this winter and we hope with the return of Spring she will feel better.
Mr. Bouck Sr., who has not been so well for the last several weeks, was taken by ambulance to the Wainwright hospital Monday morning.
Mr. J. Mansfield spent several days last week visiting in Edmonton.

Gilt Edge

Mr. and Mrs. Jack McClennon of Redwater visited with Mr. and Mrs. Stuart Plaxton Tuesday afternoon.
Johnny Roberts and George Anderson were trippers to the city on Tuesday last.

We are sorry to hear that Mr. Joe McClennon is on the sick list and we wish him a speedy recovery.

Schools rang again Monday for the school children after having had a very nice Easter holiday.

Congratulations are extended to Mr. and Mrs. Chas. Beasley on the arrival of a baby son on Friday the 17th.

Mrs. Anderson and family motored to Wetaskiwin on Saturday to visit with relatives there.

The Gilt Edge W.I. will hold their regular meeting at the home of Mrs. Angus Dickson on Thursday.
Mr. M. Saville, the veterinarian is around this week treating cattle for the warble fly.

Mr. and Mrs. C. Fletcher were Sunday guests at Mr. and Mrs. Earl Plaxton's.

With a quick glance around the neighborhood we see, Harpoe Craig cleaning grain, Jeanie Harris helping Mrs. Elwood Plaxton clean house, Willetta Woods helping Mrs. Craig.

ASCOT

(Too late for last week)

Mr. and Mrs. R. Tattersall and Judy were visitors to R. Hissetts on Sunday.

Carrol Rodgers celebrated her sixth birthday on Sunday. The following guests were present: Johnnie Harrison, Glennie Alexander, Donnie and Morton Lucow and the Rodgers boys.

Mr. and Mrs. Fiddler and family of Edmonton spent Easter visiting at R. Hissetts.

Mr. and Mrs. W. McDonald and sons Bob and Edwin of Edmonton, spent Easter visiting Mrs. McDonald's parents, Mr. and Mrs. Ed Gullekson.

We see Glen Vailieu is driving a different truck now.

Pern Jackson has been staying with Rose Zelle during the Easter holidays.

We are sorry to report Mrs. M. Harrison is a patient in the local hospital.

Spring must be here folks! because we see a certain gentleman has shaved his head.

his head.

Ray folks, have you heard the new "Case" in the district.

FABYAN

Mr. Jim Graffius of Edmonton and Mr. Pedro Morrell of South America visited with Mr. and Mrs. Ray Findlay over the week-end. Mr. Graffius is a cousin of Mr. Findlay.

Mr. and Mrs. Reg King and family are at home after having spent the winter months at the North Battleford Bible School.

Fred Glowinski of Clondonald is visiting with his sister and brother-in-law, Mr. and Mrs. John Mulgrew.

Mr. and Mrs. Ralph King are in Edmonton for several days this week.

Larrie McGachery is in the hospital convalescing from a chest cold.

On Saturday, April 16th, Ralph King spent all day cultivating in the field. (It sounds like an early spring.)

Mr. and Mrs. Mike Bodnar visited in Edmonton last week returning home Sunday night on the flyer.

Mr. and Mrs. M. McGachery and Arthur visited at Heath on Sunday with Mr. and Mrs. Harley.

WHITE CLOUD

The Rawleigh man was around through the district before the roads got too bad.

Mrs. L. Tondis visited a few days in town last week and Master Terry Tondis had his tonsils removed.

Mr. and Mrs. A. Woods and Dorothy motored down on Thursday to visit friends and relatives over the Easter holidays. Miss B. Babb accompanied them. They drove back to the city Sunday evening.

Mr. Keith Babb who has been visiting at his home for several weeks, returned to Calmar on Friday in his new Baby Austin.

Miss Ada Gardiner enjoyed the Easter holidays at her home, also Miss Louisa Tondis.

With the wind fresh, are calling, according to the song some should drop everything and take off for far-away places.

Mr. and Mrs. Vego and Frankie gave the school its Easter cleaning in preparation for school on Monday.

Welcome Mr. and Mrs. Earl Plaxton and Collin who recently purchased the Peacock farm.

GERALD

Mr. J. Perkins left on Saturday to attend a meeting of the directors of the Credit Union League of Alberta.

After reaching Edmonton, he travelled by airplane to Calgary.

Mr. R. Moffatt spent Wednesday of last week in Edmonton.

Quite a large number of Gerald residents attended the dance in Trafalgar hall on Friday evening.

School opened on Monday after the Easter holidays with Miss J. Trotter as teacher.

Mr. and Mrs. T. Ratnay and family have moved back to their farm home after spending the winter in town.

Mr. and Mrs. J. Kelly and daughter have also moved to their home near Trafalgar hall.

Mr. and Mrs. R. Reid and two children motored to Edmonton during the Easter holidays. Baby Sharon stayed at the home of Mr. and Mrs. A. Deyell.

Town Topics

(Continued from front page)

wanted. We're not trying to point out the man asked him what he thought the service is not good in Wainwright, but are impressed by what a difference those extra seem to make.

It really made a hit with our friend and we feel a few touches like that would add a bit to the feeling of our customers here in town.

So often we all work so hard trying to make sure that the customer gets value for what he spends that we often forget the little extra courtesies that make our customers feel that we welcome them in our town.

The above is merely an example for most of us must admit that there are inexpensive little means that we could employ in our own enterprises to give the customer a little added feeling of friendliness.

A prime example is our lack of town rest room facilities. Financially such a project appears to be a waste of effort, but a clean rest-room building would pay for itself in time and time again in good will from out-of-town shoppers. With the completion of our

Beauty Bar
Phone 130 Wainwright
Jaccoe Jackson Prop.

water and sewer project this year the last excuse for not having one is removed so we may expect some action.

Probably our best good will dispenser at the present time—and there is no joking about this—is our Constable Patterson who deserves a lot more credit than is ever given to him.

There are towns where laws are made in the hope of raising money by fines rather than as a means of controlling the few to protect the many. Fortunately here

Ferv, uses tact instead of brute force, and the town has gained many friends and much respect by his way our constable has handled many situations.

Unless a is looking for trouble he finds Const. Patterson helping him sober up and get home rather than looking for a pinch. He's a friend in need to many and you'll find very few who don't like him. We offer our compliments for handling a tricky job in a very friendly way.

We are not making the point that everyone should bend over backwards being friendly with everybody else. We do insist that some of this spirit would do us all good because a kind act or a little extra service to a visitor gives a good impression not only of the one doing it but of this whole town.

When we get too big for our britches and forget to treat our friends properly that the trouble starts. Here's hoping that never do that, and that our town never gets so hard up for funds that it tries to change the very pleasant and successful system of law enforcement practised by our friendly Constable Patterson. An orchid to a good public servant.

NEWS & VIEWS OF TOWN AND DISTRICT

BORN—To Mr. and Mrs. A. Dewick of Wainwright, at the Wainwright Municipal Hospital on April 12th, a boy.

BORN—To Mr. and Mrs. C. Beasley of Wainwright, at the Wainwright Municipal Hospital on April 14th, a boy.

BORN—To Mr. and Mrs. C. Goud of Car, at the Wainwright Municipal Hospital on April 15th, a boy.

Mr. and Mrs. Hugh Reid, accompanied by Mr. and Mrs. G. Reid motored to Edmonton on Monday for a short visit.

Mrs. Kenn Tury and family went to Calgary last week to visit with her mother, Dr. L. A. Bagnall during the summer.

Mr. G. S. Valleau and Marian left Tuesday night for Windsor, Ont., by train. They will also visit other points.

Congratulations to Mr. and Mrs. E. Graham (nee Alice Dietrich) who were married last Wednesday. A complete report of the wedding will appear next week.

We regret to report that Mrs. F. W. Watts is still a patient in the Wainwright Hospital and we hope that she will be well again soon.

LIBRARY NOTES

(Children's Section)

These are real boom times around the Library, and those who look after the books are so pleased to see many eager young readers. While your mothers are letting down their hair, or buying you larger sized jeans, we are seeing signs of your growth in book interest. "This was exciting... have you anything else by the same writer?" There is usually someone with free time to help you find what you wish, and most of you know where to look for your favorites, or your age-interest books. On the shelf, you'll find some of the newer books displayed, for all ages, but it is particularly for the youngest readers. Have you seen "The Magic Bus" and "The Little Tree Boat"? No small boy should miss "The Truck Book" which tells of more kinds than you can find, even in the plastic toy shelf at the store! If someone reads to the little ones, they'll be glad to choose from Anderson's Fairy Tales, or the charming Milne Stories about Christopher Robin, and about Pooh Bear.

As you begin to do your own reading, you will find different types to suit you. The Magic Muggins books and the Just Mary Stories will please you; then you'll find so many sets of books about things that might have happened to you—"The Bobsey Twins", "The Pepper Family", "Honeybunch". Along these ages, you'll like to read the Burgess Animal books. There's a whole shelf of those, and each story in and out of the Library every week. The boys and girls both get into reading runs on animal stories, from "Elmer", the "Equinox" and the Burgess books, right up to those present popular favorites, "The Black Stallion" series. Others are always on the look-out for new mystery stories, or which Helen Orton's are the best; and Zane Grey is your favorite author of Western Stories.

Few girls reach the Young Moderns reading cards without being well acquainted with the Boarding School books of the Katy series, the charming Anne stories of L. M. Montgomery, the fine books written by Gene Stratton Porter... "Ladie", "Freckles" and others.

Sport stories, adventure stories, travel stories! Come and make your choice at the Library this week!

American sportsman call "Soldier's Rip" off Wedgwood. It's the "greatest fish hole in the world." It produces champion-else tuna.

May 14 is HER day
 Give Mother portraits of her loved ones

TRULY FINE PORTRAITS

The love and the comforting presence of the family she has raised are best expressed by a portrait of the whole family, then Mother will keep with her always. Call our studio for an appointment.

Wainwright Studio & Gift Shop

Mr. and Mrs. Dave Carter of Camrose spent Tuesday night and Wednesday visiting at the home of Mrs. Carter's sister, Mr. and Mrs. O. Iverson.

Lorne McLeod is home from Calgary to rest for a few days and to visit with his parents, Mr. and Mrs. F. E. McLeod.

We see Allen Vallau is now driving a 1947 Ford coupe car. Congratulations Allen!

Mr. and Mrs. Mayne and Caroline of Edson, Alta., visited Wednesday to Saturday at the home of Mrs. Adele's parents, Mr. and Mrs. John Challenger.

Mrs. Sarah M. Walsh arrived home a week ago from High River and McLeod where she visited with her daughter for the past two months. Her son-in-law and daughter, Mr. and Mrs. James Burke of McLeod drove her home.

Mrs. E. Ganderton left for Edmonton Monday to spend a couple of days shopping and visiting with her son and daughter-in-law, Mr. and Mrs. Duane Ganderton.

Winners of last week's bowling tournament was the Robinson team consisting of Roy Gilling, Mabel Lagerquist and Frances Atwell with the Cook team coming second, personnel being E. Meyer, Pauline Lagerquist and Marlene Koch.

Mr. J. Hedlund of Turner Valley spent the week-end visiting his sister Mrs. M. Ganderton and other friends and relatives in town.

A Chamber of Commerce Committee is actively preparing plans for the completion of the Arena. Now the baseball promoters should get busy and maybe a baseball diamond could be prepared also.

Mr. and Mrs. A. Balmer's auction sale will be held on Friday, April 28th after which they plan to leave for Toronto where they will take up residence.

Mr. and Mrs. Avery left last Friday for Toronto and other Eastern points where they will visit for a time before returning to Alberta where they plan to settle again.

Miss Irene Cumberland was a visitor to Edmonton Tuesday.

Mrs. Mena Trewartha of Vancouver, B.C., visited her mother and father, Mr. and Mrs. G. Michon and her son Lyman for a few days at Easter, returning to Vancouver Thursday.

Mr. T. Billings of Carleton Place, Ont. is in town this week renewing old acquaintances.

Mr. and Mrs. J. W. Taylor of Toronto are visiting at the home of the latter's parents, Mr. and Mrs. A. L. Dietrich.

Mr. and Mrs. Geo. Newstead of Chauvin were Wainwright visitors Monday.

Mrs. DeLong of Edmonton has been visiting her mother Mrs. Arkwright for the past week.

Mr. and Mrs. Walter Taylor, accompanied by Mrs. Cremla and daughter motored to Edmonton Thursday, returning home Saturday.

HOW ABOUT A LITTLE TENNIS THIS SUMMER, FOLKS?

We have been asked by some tennis enthusiasts in Edgmont to urge that efforts be made to revive interest in intertown competition for the challenge cup which is now held by the Edgmont club. The club will gladly accept any challenge and will play where ever it is convenient.

A well organized league would provide a good summer of fun. Anyone interested, please get in touch with G. G. Phillips, Edgmont.

LADIES AUXILIARY TO THE CANADIAN LEGION

The regular meeting of the Ladies Auxiliary to the Canadian Legion was held in the Legion Canteen Monday night, April 17th.

The meeting opened in the usual manner, committee reports were given, and unfinished business dealt with. It was then decided to hold a V.E. Day dance May 8th, celebrating the 5th anniversary of the end of the second World War. A good door prize will be given, tickets will be sold before hand.

A ten dollar donation was sent to the March of Dimes for the crippled children's fund. Lunch was served by Mrs. M. Smith and Mrs. J. Taylor.

DOW WEED KILLERS

Kill weeds easily, quickly, chemically with Dow Weed Killers. 2-4 Dow Weed Killer controls most weeds without harming crops. See your local agent handling 2-4 Dow Weed Killer and other Dow products without delay.

DOW CHEMICAL OF CANADA, LIMITED

Precautionary Notice

INSTRUCTIONS TO BE FOLLOWED IN CASE OF FAILURE OF THE GAS SUPPLY

A signal will be given by blowing Town Siren in intermittent long and short blasts for two minutes.

1. Turn off all gas valves and leave off until service is resumed.
2. When service has been restored the signal will be given by the blowing of the Town Siren. This signal will be one long, two-minute blast.

CAUTION

Upon entering any house after service has been resumed and where gas valves had not previously been turned off, do not light any matches or other artificial light. Shut off all valves, then open windows and doors so as to allow gas to escape before attempting to light any appliance.

THE PLACE IN A ROTATION TO APPLY BARNYARD MANURE

Although only a limited number of farmers in Eastern Saskatchewan make extensive use of barnyard manure information was needed on its value and the best place in a crop sequence to apply the manure. Experi-

ments dealing with the application of barnyard manure have been carried on at the Experimental Farm at P. H. Head for many years, says R. V. McCurdy. Eight tons of well rotted manure were applied in three different ways: spreading manure on the field to be summerfallowed and then plough-

ing; on first year stubble then ploughing; and as a top-dressing on second year grain immediately after seeding. Based on the results for 21 years, the average yield of wheat following the first method was 28.5 bushels, following the second method 25.5 bushels, and the third 27.5. The average for the checks that received no manure was 22.5 bushels. These yields are all for summerfallowed wheat and it will be noted that where yield increases did occur they were small. In the second year after summerfallow the yields were almost identical for the different treatments.

In another project under observation for the same number of years, in a crop sequence of corn, wheat, oats, 16 tons of well rotted manure were spread on the oat stubble and ploughed in the fall. For the 21 years, the average increase for the corn amounted to over one ton to the acre, for the wheat 2.4 bushels and for the oats 4.7 bushels. In one of the main rotations carried out on the larger fields, manure is applied every ninth year, on sod just before it is broken. By the use of grass and manure, yields have been maintained at a very high level on these fields for the past 40 years.

VARIETY IN SANDWICHES

Don't let sandwiches become monotonous. Made with a variety of breads—rye, whole wheat, cheese bread, raisin bread or white—the sandwich need not become a bore. The filling should be substantial and tasty. Check the daily paper, magazines or your receipt book for mouth-watering sandwich fillings.

About three quarters of Canada's school teachers are women.

The Week at Ottawa

(Continued from page two)

The index rose 7.7 points from the previous peak of 135.9 in January to 143.7 in February.

Food prices—biggest single factor in the barometer's movements—climbed 2.7 points from 20.1 to 20.8, 5.3 points below the previous peak of 26.2 in July, 1949.

The combination of these two major advances told the story of a reversal of the index, which started to come down last September. It dropped 1.3 points in the September-December period and then, in two months, climbed 2.7 points from December's level of 141.9.

Rent advances, taken from the bureau's quarterly survey, reflected rises in the federal rent ceiling, allowing increases of 18 per cent on unheated and 22 per cent on heated accommodations.

There was a general stiffening of food prices for beef, lamb, eggs, coffee and fresh vegetables, but canned vegetables were actually a little cheaper. Atom Warfare Predicted

One of Canada's top atomic scientists sent a shiver down the national spine by predicting that atom-bomb warfare would come within the lifetime of today's children.

In an unusual speech from a government employee, Dr. L. G. Cole, chemist, tried hard at the Chalk River atomic project, told Ottawa's Rotary Club:

"You may be involved in a war in which atomic bombs are used—your

children almost certainly will be." For that reason, he said, the people must know the details of atomic development so they can assist the government to "make wise decisions in a precarious world."

His declared Canada is in danger of falling behind in the world's atomic race unless she pours more men and money into effort to keep it up front.

Dr. Cook also took an implied slap at the United States, in declaring "there is no atomic secret." Secrecy is harmful, he said; it could be fatal.

Ireland's first ambassador to Canada—Sean Murphy, his wife and four daughters—were officially welcomed to the capital last week by officials of the external affairs department.

The 53-year-old diplomat and former Irish minister to France and Belgium replaced John J. Hearne, who is now Ireland's ambassador to the United States.

Mr. Hearne was Ireland's high commissioner to Canada. Since Ireland has become a republic, the post of high commissioner has been changed to ambassador.

Sports Camera

Baseball fans by this time have read pre-season prediction stories by the dozen on major league teams. Each writer bases his predictions on "if" players. "If" certain players come through the team should be tough to beat.

But at no time has there been such a concentration on any one player as there is on Joe DiMaggio for this 1950 baseball season.

The world champion New York Yankees will come through again "if" DiMaggio is the DiMaggio of old, say the ball experts. The team will have terrifically increased batting and fielding power "if" the DiMaggio has overcome his heel ailment. Then the Yankees will be the club to beat again this year.

Of course, the Yankees have other top-notch players—Joe Page, Tom Henrich, Yogi Berra and Phil Rizzuto to name a few. But the Yankees' Clipper does appear to be the most important factor on the team—along with, perhaps, another successful year of relief pitching by the reliable Page.

At this time it seems as though manager Casey Stengel needs DiMaggio for a full season, for if he has, the same sick and injured DiMaggio on his hands as the one who played in only 78 games last season it might mean the end of Yankee hopes for the American League pennant and world title again.

DiMaggio, the flawless-fielding guy who three times was named the most valuable player in the American League and the man who tops the salary list at \$100,000 a campaign, can make or break a team. With his deadly batting and smooth fielding he can both carry the attack and steady the defense. But if his "heel spur" trouble crops up again he may not be around for it.

Half a Season

Last year, for example, the big outfielder missed the first 45 games of the Yankees schedule. On his return Joe pounded out 14 home runs and drove in 87 runs—not bad for half a season's play.

But the DiMagg is 35—past the prime age for a ball hawk. And he has the constant dread leaning over his shoulder of arthritis pains returning to his shoulder.

Last year he missed the first half the schedule when his right heel grew a calcium spur. It was operated on and took months to heal. The other heel had been operated on for the same trouble previously. Those spurs can grow out again—an enlargement of the bone.

Then a little later in the season DiMaggio came down with pneumonia and he became a wan and pale athlete striving to regain his old-time form. This he did during the latter part of the season. And now he appears to be in perfect shape after a winter's rest. His big bat boomed with authority during spring training.

But there's still some doubt remaining in most fans' minds. Joe is getting old; he's with an old team—most regulars are more than 30 years of age.

"If" any of his ailments return early in the season the team can easily start off on the wrong foot. "If" the ailments return when the Yankees are in a hot race to the wire his absence alone could spell the difference between success and failure.

KEEPING IN SHAPE

Sitting behind a desk or standing at a machine all day does little to keep the waistline under control. Most indoor workers need a certain amount of mild exercise to keep in trim and there are few ways of doing this better than by walking at least part of the way to and from work.

KEEPING HOUSE ALONE

Keeping house alone, even for working people, can be easy and interesting. A little thought given to planning can make the preparation of varied, nutritious meals a pleasant hobby as well as an aid to health and vitality.

FOOD VALUE IN CANS

Canned vegetables are especially useful these spring days when fresh ones are scarce. Canned vegetables are high in nutritive value. To preserve the nutrient content they should be heated just to the boiling point and served immediately. Make use of this valuable source of year-round, healthful food.

The Red-Dominated Czechoslovakian army has banned the singing of Western songs, especially those "expressing the corrupt life of the capitalist world" "Home on the Range"

displays a dreadful interest in ownership of private property.

SIMMONS TELLS INSIDE STORY OF Beautyrest COMFORT

X-Ray display reveals secrets of world's most Famous Mattress!

Outside, mattresses may look alike. It's what's *inside* that makes the big difference in real value. And now—at Simmons Dealers—you can see right inside a Beautyrest. Now you can see why only Beautyrest gives you the famous Beautyrest "Luxury Comfort".

Note how each of its 837 coil springs are individually pocketed, acts separately—thus giving firm, buoyant support to every body curve. Note such other Simmons features as: patented "Jiffy Join" tufting; pre-built border; no sag edges; air vents and 'taped handles'—with Simmons quality throughout.

INVESTMENT IN COMFORT... Start the new Half-Century right! Get this great mattress value now. A Beautyrest Mattress and its Matching Box Spring will assure you years of perfect rest and relaxation.

Finest SLEEP COMBINATION

Its Matching Box Spring is Beautyrest's perfect base for restful comfort. Together they form the world's finest sleep combination—to give you "the kind of sleep you've dreamed about". Other Simmons quality mattresses—Ostermoor, Deepseep, Slumber King—are all also available with matching box springs.

See it all at your Simmons Dealer's

Relaxation and Rest Antidotes For City People

Donald A. Laidlaw, author of "The Art of Relaxation," says that the modern city dweller is constantly under strain and tension. He is always on the go, and his mind is always racing. He is never at rest, and he is never relaxed. He is always in a state of nervous tension, and he is always in a state of mental unrest. He is always in a state of physical exhaustion, and he is always in a state of mental fatigue. He is always in a state of physical discomfort, and he is always in a state of mental distress. He is always in a state of physical pain, and he is always in a state of mental agony. He is always in a state of physical suffering, and he is always in a state of mental torment. He is always in a state of physical misery, and he is always in a state of mental despair. He is always in a state of physical hell, and he is always in a state of mental purgatory. He is always in a state of physical damnation, and he is always in a state of mental condemnation. He is always in a state of physical punishment, and he is always in a state of mental retribution. He is always in a state of physical torment, and he is always in a state of mental anguish. He is always in a state of physical suffering, and he is always in a state of mental pain. He is always in a state of physical distress, and he is always in a state of mental agony. He is always in a state of physical misery, and he is always in a state of mental despair. He is always in a state of physical hell, and he is always in a state of mental purgatory. He is always in a state of physical damnation, and he is always in a state of mental condemnation. He is always in a state of physical punishment, and he is always in a state of mental retribution. He is always in a state of physical torment, and he is always in a state of mental anguish. He is always in a state of physical suffering, and he is always in a state of mental pain. He is always in a state of physical distress, and he is always in a state of mental agony. He is always in a state of physical misery, and he is always in a state of mental despair. He is always in a state of physical hell, and he is always in a state of mental purgatory. He is always in a state of physical damnation, and he is always in a state of mental condemnation. He is always in a state of physical punishment, and he is always in a state of mental retribution. He is always in a state of physical torment, and he is always in a state of mental anguish. He is always in a state of physical suffering, and he is always in a state of mental pain. He is always in a state of physical distress, and he is always in a state of mental agony. He is always in a state of physical misery, and he is always in a state of mental despair. He is always in a state of physical hell, and he is always in a state of mental purgatory. He is always in a state of physical damnation, and he is always in a state of mental condemnation. He is always in a state of physical punishment, and he is always in a state of mental retribution. He is always in a state of physical torment, and he is always in a state of mental anguish. He is always in a state of physical suffering, and he is always in a state of mental pain. He is always in a state of physical distress, and he is always in a state of mental agony. He is always in a state of physical misery, and he is always in a state of mental despair. He is always in a state of physical hell, and he is always in a state of mental purgatory. He is always in a state of physical damnation, and he is always in a state of mental condemnation. He is always in a state of physical punishment, and he is always in a state of mental retribution. He is always in a state of physical torment, and he is always in a state of mental anguish. He is always in a state of physical suffering, and he is always in a state of mental pain. He is always in a state of physical distress, and he is always in a state of mental agony. He is always in a state of physical misery, and he is always in a state of mental despair. He is always in a state of physical hell, and he is always in a state of mental purgatory. He is always in a state of physical damnation, and he is always in a state of mental condemnation. GREENSHIELDS

Mr. and Mrs. L. Stouffer entertained at dinner in honor of the former's birthday, Monday April 16. Mr. and Mrs. P. E. Patterson and Shirley, Mr. and Mrs. A. Hardin and Mrs. Morrison were guests. In the evening their nearest neighbors called to enjoy a share of the birthday cake and wish Mr. Stouffer many more happy birthdays.

Miss Patsy White returned to her studies at Alberta College, Edmonton, Wednesday morning.

We are pleased to report Miss June Hutchison returned home from hospital on Thursday.

Mr. Bill Hewlett of Stouffville, Ont., spent a couple of days with his uncle and aunt, Mr. and Mrs. L. Stouffer while enroute to work on the Alaska Highway.

A Beef Ring meeting was held at Greenshields School last Thursday evening when it was decided to continue the ring this summer.

The regular April meeting of Greenshields Ladies Aid was held at the home of Mrs. H. Pringer last Thursday afternoon. Thirteen members answered the roll call, three ladies were welcome visitors, while two new members joined our group. A small donation was voted to the Red Cross and several bills paid. It was decided that each member would bring in an item

Adopt Report Of Assessment Committee

Make Further Plans For Toad Flax Battle

The regular meeting of the Council of the R.M. of Manitow Lake No. 443 was held on Tuesday, April 18th with Reeves MacCullie in the Chair and all councillors present.

The minutes of the last regular meeting were adopted on motion made by Councillor Watson.

It was pointed out by one or two members of the council that a misimpression was created as to the order of J.A.D. The minutes gave the impression that no J.A.D. would be ordered by the Council. That is, it should have been conveyed that the Council would order this weed killer if orders from interested farmers are placed with the Office.

Atkinson—that the report of the assessment committee be adopted, and that the action taken for the re-assessment of lands brought under cultivation as well as certain other land in the municipality, be approved. C.D.

McIntyre—that the financial statement for the month of March be adopted as presented. C.D.

Wilson—that a grant of \$25.00 be made to the Red Cross.

Adjournment on motion of the Reeve for lunch, the council re-assembling at 1:00 p.m.

Wilson—that the accounts totalling \$294.75 be approved for payment.

A joint sitting of the Council and the Agricultural Crops and Improvement Committee was held, the Committee having been requested by the Council to attend this meeting. Various matters pertaining to the current year's toad flax program were discussed. The Committee then adjourned for a separate meeting and on returning placed the following recommendations:

1. That sprayer operators be paid at the rate of \$3.00 per hour the time to the start when the operator starts spraying to continue until he quits for the day.

2. Operators to be supplied with forms showing actual date and hour of spraying on each farm.

3. That the ratepayers pay \$1.00 per hour for the use of the municipal sprayer, that keeping the price of Alacide down will increase the effectiveness of the campaign.

4. That J. D. Caldwell be hired as soon as possible and E. B. Westwood be interviewed as to the amount of time he will have for spraying.

5. That the Council be asked to consider that the operator starts spraying to continue until he quits for the day.

Deputy-Reeve Scott in the Chair.

Gordon—that Coun. Bent and the Secretary-Treasurer be Committee of Two to interview Pat Whitford about the matter of his paying the hospital fees, both arrears and current. C.D.

Reeve in the Chair.

Wilson—that in the general overhauling of the motor grader, the work include the turning of the motor, new bearings and new sleeves and pistons. C.D.

Gordon—that Mr. Kowarschuk check the sprayer engine and have the necessary repair work done. C.D.

Gordon—that each councillor have authority to dispose of any obsolete old machinery at \$10.00 each.

Adjournment for dinner, the council reconvening at 7:15 p.m.

MacCullie—that a cancellation of \$4.44 be made on the U.S. Bank of Wainwright in respect of the 1949 business tax, to be served as a refund due the elevator company due to one of their elevators at Wainwright being damaged.

Atkinson—that a grant of \$10.00 be made to the Handicapped Civilian's Assn.

The blue print covering the new road through 10, 11 and 4 in 46-37-3 was examined to determine what additional acreages, if any, were taken by the road taking another route. It was noted that the present acreages are approximately the same, and the owners are to be contacted as to the exchange of the present acreages for the past ones paid for.

McIntyre—that the Village of Nallburg be charged at the rate of \$5.00 per hour for snow plowing done on their street. C.D.

Atkinson—that social aid, as social aid chargeable, be continued to John Homenick, for the months of April and May and June. C.D.

Atkinson—that Coun. Watson be the deputy-reeve for the 2nd quarter. C.D.

McIntyre—that as soon as ready, maintaining be carried out at all times with the main roads being done first.

Gordon—that each councillor be a committee of one in charge of road work. While the division, this to include ordinary roadwork, dragging, culvert work and washouts. C.D.

MacCullie—that the sale of the two old stationary engines be \$10.00 each, arranged by Coun. McIntyre, be hereby approved. C.D.

McIntyre—that effective on April 1, and during the construction season, the wages of M. Kowarschuk be at the rate of \$1.25 per hour. C.D.

Scott—that the services of E. J. Foley be retained as assistant to the machinery operator during the construction season. C.D.

MacCullie—that the Alacide in the toad flax control program be supplied at cost to the municipality.

Amendment moved by Coun. Gordon that the word "cost" in the motion

Primary Room Entertains Mothers At Easter Program

Chauvin Primary Room entertained their mothers and school mates at a delightful Easter programme featuring a short Easter Service of hymns and readings. The choir from Mrs. Spencer's room and Mrs. Partridge's room rendered several hymns. The Easter bunny made its appearance with a basket of Easter eggs for all. Lunch was served by the Grade II girls.

An Easter egg was raffied by the Junior Red Cross, grades one and two. Proceeds amounted to nine dollars.

You buy the best quality Meats at Parcells Market—Phone 18.

PARADISE VALLEY

Miss Beatrice Kragnies is a patient in the Lloydminster Hospital where she underwent an operation. She is expected home in a few days.

Miss Marlene Quinn had as her guest over the holidays Miss Maureen Downey of Wainwright.

Mrs. and Mrs. E. H. Walter have had as their guests during Easter week Mr. and Mrs. W. J. McKee and Calvin of Melfort, Sask., and Mrs. McVey and daughter Leah from Yorkton, Sask.

Miss George Wolcott returned home after spending a few days with friends at Edmonton.

Miss Joyce and Marilyn Adams visited with their sister Violet who is attending school at Three Hills over the Easter vacation.

Mrs. W. A. Gunn attended the convention for leaders of farm clubs held at Olds during the past week.

The Young Peoples Union of the United Church deserves great credit for the successful Amateur Night which they sponsored on Friday night. The large hall was filled to full capacity and many were turned away. Twenty three contestants taking part. Every number was well received and real talent was shown. To Bill Risk first prize should be given as M.C. Bill outdid himself and kept the huge crowd in the best of humor during the long programme. And Bill is a Scotchman at that. The Judges were Messrs. Andrew Aalberg, of Rivercross, W. S. Robinson of McLaughlin and E. H. Walters of Paradise Valley. The winners were Frank Kuhn, Barbara McDonald and Bob McLean in the Juvenile. First in the other class were The McLaughlin School Chorus. Second, Rivercross School Girls A Folk Dance. Third, Mary Baxter and Mildred Clay in a duet. The mystery singer "Swallow" went over good. The Young People wish to extend their sincere thanks to all who helped to make the evening such a splendid success. For the grand support received from the outside districts they wish to say "Thank You".

FRAM

We noticed Father's started the ball rolling by being the first ones on the land.

Barbara McCormick arrived home, accounting after an appetizing operation.

Art Powers is sporting a new truck. Mr. and Mrs. W. J. Graham spent Easter Monday at the latter's parents in Lloyd.

The B.R. Club held their regular meeting at the home of Mrs. Vernon Graham.

Mrs. K. Tweten and baby son arrived home from the hospital.

Rosemary Palmer returned to Riverton to resume her studies.

Mrs. W. Lavery, Garry and Karen are visiting at the home of Art Powers and Harry Graham.

be stricken out and "4 1/2 cents per pound" be substituted therefor.

Sub-amendment moved by Coun. Atkinson that "4 1/2 cents" in the amended be stricken out and "5 cents" be substituted therefor.

On a vote on the sub-amendment: "For-Weave, Atkinson, Wilson, "Against"—McIntyre, Scott, Gordon, Watson, Lost.

On the Amendment, the vote was the opposite and was Carried.

The motion as amended was Carried. Gordon—that the charge to the farmer for the man and sprayer be at the rate of \$1.25 per hour while the man and machine are in the premises. C.D.

Atkinson—that the Secretary-Treasurer write each ratepayer in arrears asking for payment of same or part thereof, carrying a statement to the office with the office as to the ratepayer's intentions. C.D.

Tu regulations governing the toad flax program and application forms are to be prepared and a supply provided each councillor.

Scott—that this meeting, April 19th, be held on Tuesday, May 2nd next, at the rate of \$1.25 per hour. C.D.

Scott—that the services of E. J. Foley be retained as assistant to the machinery operator during the construction season. C.D.

MacCullie—that the Alacide in the toad flax control program be supplied at cost to the municipality.

Amendment moved by Coun. Gordon that the word "cost" in the motion

GEO. W. McEWEEN DIES FOLLOWING STROKE

Residents of Chauvin were shocked to hear of the sudden death of George William McEween, who for many years had been a farmer in the Chauvin district.

It appears that George was enjoying quite good health right up until the time of his death. In fact he was in town, the day before he suffered the stroke, from which he died.

George was out in the farmyard with a friend trying to start his tractor when he collapsed, and was rushed to the Wainwright Hospital by McLeod's ambulance on Thursday, April 13th, on the advice of Dr. Oakley.

In hospital he never regained consciousness, and passed away on Sunday morning, April 16th.

George was 64 years of age at the time of his death, having been married the last 42 years of his life in Alberta.

He leaves to mourn his loss his wife, who at the time was visiting in the United States, and one daughter, Mrs. Mamie Olsen.

Funeral services are being held in Westminster Presbyterian Church, at Chauvin, at 1 p.m. Wednesday, April 19th, with Rev. H. H. Grove officiating. Interment will be made in Froyest Cemetery.

Funeral arrangements are in the hands of McLeod's Funeral Parlor.

ROSEMOYNE

The L.O.B.A. are holding a Social Evening, cards, short program and dance in the Orange Hall Rosemoynce on Friday 21st.

The twenty-fifth anniversary of the Laugh Goll Lodge Rosemoynce. Everybody welcome, admission free, ladies please bring lunch.

Miss Joyce and Shirley Burton were home for the Easter holidays.

Miss Del Guthrie went to Thorhill to spend the Easter vacation with her mother, Mrs. Whitly.

Mrs. E. Castle has returned home from the Wainwright hospital.

We are sorry to report that Cecil Tennant after being home for three days had to return to the Wainwright Hospital.

Mrs. Kay Kimball and her two sons are spending a few days with Mr. and Mrs. Ivan Kimball.

Miss Betty Jackson has returned home from the Wainwright Hospital feeling much better.

Mr. C. O. Burton has been in Edmonton the past week on business.

GRAY-DALLYN WEDDING

Lilla, white and yellow formed the background for a very pretty wedding on Wednesday, April 13th, at 4 p.m. in the latter day Saint Church, Riverton when Laura Lilla, younger daughter of Mr. and Mrs. Victor Dallyn became the bride of Mr. Benjamin Gray, son of Mr. M. P. Gray of Viking.

The bride wore a floor length gown of white lace and matching bolero with light blue sleeves. Her veil of white illusion net was held in place with a pearl comb and she carried a bouquet of red roses and white baby's breath. Her only ornament was a necklace of pearls, a gift of the groom.

The groom wore a floor length gown of white lace and matching bolero with light blue sleeves. Her veil of white illusion net was held in place with a pearl comb and she carried a bouquet of red roses and white baby's breath. Her only ornament was a necklace of pearls, a gift of the groom.

An wedding took place Saturday, April 15th at St. Mary's church. The reception was held at the home of Mr. and Mrs. Roy Leslie of New Westminster, B.C. Their many friends wish them much happiness in their marriage.

HOW ABOUT A LITTLE TENNIS

THE SUMMER FOLKS! We have been asked by some tennis enthusiasts in Edmonton to urge that efforts be made to revive interest in tennis competition for the challenge cup which is now held by the Edmonton Club. The club will gladly accept any challenge and will play where ever it is convenient.

A well organized league would provide a good summer of fun. Anyone interested please get in touch with G. G. Phillips, Edmonton.

CLIFFE

Moved by Mr. Archibald that two cars of snow fence be ordered from the Alberta Association of Municipal Districts.

Moved by Mr. Sutherland that the letter from R. A. Swanson re: Road Dragging for 1950 be left with Mr. Belanger.

Moved by Mr. Sutherland that the Council appoint each Council member as a Committee to recommend and supervise all works of a Public nature within their own Electoral Division for the year 1950, and further, that said Committees be prepared to provide this Council with a report or reports, in Form A of the Schedule setting out what works of a Public nature they recommend to be undertaken in their own Division during 1950, recommendations to consist of description of the nature of the work, the amount to be expended thereon during the year, also description of the location of the work recommended, the above to be ready for the May meeting of the Council. Show removal may come under general maintenance and emergency work.

Moved by Mr. Sutherland that the Secretary write C. B. Atkins, A.L.S., that the Council expect the surveys for this District to be completed by the fall of 1950, and that all surveys made in 1949 that blueprints be received by the end of May, 1950, as this is of prime importance.

Moved by Mr. Castle that the correspondence from the District Highway Board of the Department of Public Works approving District Highway, file 41-5-113, extending file 41-5-81 and extending file 41-5-81 be received and the Secretary revise the District Highway map.

Moved by Mr. Sutherland that the Secretary write the Board of Transport Commissioners reference to improving the eight lines at the railway crossings in Sections 10 and 15-43-2-4 and 14-44-3-4.

Secretary write Villages of Edgerton asking if they will continue their efforts to have the eight lines of the railway crossing West of Edgerton Village improved.

Moved by Mr. Archibald that the report of the Reeve and Mr. Arthur re: purchase of an Acetylene Welding Outfit for the use of the Municipal Garage be accepted and that the Reeve and Secretary-Treasurer be empowered to sign an agreement with the Canadian Liquid Air Co. Co.

Bylaw No. 279 re: the Purchase of Lots 5 and 6, Hamlet of Rhettona, and building thereon for the purpose of a machine shop, to be used for General Municipal purposes.

Bylaw 279 then received its three readings in regular form.

Moved by Mr. Archibald that Mrs. Castle, Arthur and Belanger with Mr. Dalby be a Committee to see about the remodeling of the building on Lots 5 and 6, Rhettona, to be used for a machine shop with power to act Co.

Moved by Mr. Sutherland that the following payments amounting to \$1,362.27 be passed and paid when signed by the Council re: Council.

Moved by Mr. Castle that an Agreement be completed between the Iron Machine Shop and this Municipal District for the housing of a Motor Grader with or without snow-plough atached. Heat, storage, light, phone, to be included for a sum not to exceed \$25.00 per annum to take effect when the building is completed at Iron Co.

The Council examining the 1950 Estimated Expenditures of Public Works that the following will make the Public Works Monies to be allocated to Divisions:

\$37,947.64 Labour
\$6,008.00 Materials
\$600.00 Supervision

\$37,947.64
\$6,008.00 1950 Public Works Grant

\$43,955.64
\$43,955.64 40% to earn \$25,368.00 Grant

\$38,587.64 To spend other than Work

Moved by Mr. Archibald that the \$38,587.64 of Public Works Monies be allocated as per Divisional Assessment Motion Last Against: Dalby, Castle, Sutherland and Arthur. For: Belanger, Small and Archibald.

Moved by Mr. Sutherland that the \$38,587.64 of Public Works Monies be allocated as follows: 50% divided by 7 and 50% as per Divisional Assessment

Grant Monies made up as follows:
\$25,368.00 1950 Public Works Grant
\$25,368.00 40% to Earn Grant

\$50,736.00

Moved by Mr. Arthur that the \$50,736.00 Grant Monies be allocated by Divisional Assessment.

Moved by Mr. Sutherland that a Public Works Committee meeting be held in the Council Room on Friday, the 14th April, 1950, at 9:00 a.m.

1950 Estimates
Council reviewed the Estimates of Revenue and Expenditures for 1950 as presented by the Finance Committee.

Agreed that the Wainwright School Division No. 42 Mill Rate be Struck at 24 mills on the dollar.

St. Athan R.C.S. School No. 34 at 22 Mills

Wainwright Municipal Hospital District No. 17 at 8 1/2 mills

Irma Municipal Hospital District No. 55 at 5 1/2 mills

Yale Free Area at 6 mills

Special Burtax Levy Fabian Hamlet at 1 mill

Municipal Levy at 18 mills

Bylaw No. 280 authorizing Current Levy 1950, for School purposes presented.

Bylaw No. 280 then received its three readings in regular form.

Bylaw No. 281 authorizing Current Levy 1950, for Municipal, Hospital and Special Burtax purposes presented.

Bylaw No. 281 then received its three readings in regular form.

Moved by Mr. Archibald that the Secretary and Mr. Castle be a Com-

mittee re: L. E. Hyman, Old Age Pension, and advise the Department of Public Welfare of their findings.

Bylaw No. 282 concerning the lease of certain parcels of land, Section 217 Municipal Districts Act presented.

Moved by Mr. Archibald that Bylaw No. 282 pass its first reading.

Moved by Mr. Dalby that Bylaw No. 282 pass its third and final reading and that the list of parcels leased as contained in said Bylaw be also listed in the Minute Book.

Moved by Mr. Arthur that the Field Supervisor's report from 11th March, 1950 to 11th March inclusive be accepted and filed with his records.

Moved by Mr. Small that this Council concur the recommendations of the Agricultural Service Board that the Field Supervisor's salary be increased to \$2,800.00 as from 1st April, 1950.

Amendment by Mr. Sutherland that the "1st June, 1950" be substituted instead of "1st April, 1950" in Motion 138, amendment put and declared.

Moved by Mr. Sutherland that Mr. Sutherland voting for the amendment. Motion 138 put and carried.

The Council having heard the report of the Field Supervisor and District Agriculturalist and the recommendations of the Service Board reference to the W3 25-46-4.

Bylaw No. 283 was introduced being a Bylaw of the Municipal District of Wainwright No. 61 placing a Reclamation Order against the Title of the W3 25-46-4 under the Provisions of the Section 15 of the Agricultural Service Act being Chapter 19 of the

Statutes of Alberta, 1947, and amendments up to and including 1949.

By-law No. 283 then received its three readings in regular form.

Moved by Mr. Archibald that the Reeve, Secretary, the District Agriculturalist and Field Supervisor be a Committee to draw up a three-year lease between the Municipal District of Wainwright and Frank Tipton reference to the W3 25-46-4.

Moved by Mr. Arthur that this Council concur the recommendations of the Agricultural Service Board that a camera and slide projector for the use of the Field Supervisor be purchased.

Moved by Mr. Small that the four-drawers filing cabinet in the Municipal Office be moved into the Agricultural Building for the use of the Field Supervisor.

Moved by Mr. Arthur that the Field Supervisor be granted permission to

show four more showings of the National Film Board to complete his circuit.

Moved by Mr. Small that the Field Supervisor go ahead with the printing in book form the 1949 activities of the Wainwright Agricultural Service Bd.

Moved by Mr. Castle that this meeting adjourn.

Where does the money go?

At times most of us have looked at purse, wallet or bankbook, and wondered: "Where does the money go?"

You may have wondered, too, where does our money go—the money we receive for gasoline, fuel oil, lubricants and other products we sell. Well, last year each dollar we received went this way:

CRUDE OIL and other raw materials took more than half of each dollar.

MANUFACTURING AND PACKAGING took more than 11 cents. Costly equipment and skilled workers were needed to make the 640 products we supplied for thousands of uses.

TRANSPORTATION took the next big bite of the dollar. Products moved over wide areas to serve every community in Canada. During 1949 we paid more than \$34 millions for railway freight alone.

MARKETING was next. Marketing brought you the products you needed when and where you needed them . . . power, heat and lubricants for factory, home and farm. Marketing supplied your neighborhood dealer, that independent businessman, so that he could serve you conveniently and dependably.

TAXES to provincial and federal governments took 7.53 cents. And this did not include gasoline tax, which—depending on where you live—took from 21 to 33 cents out of every dollar you spent for standard grade gasoline.

PROFIT was 3.69 cents out of each sales dollar. Of this 2.25 cents went to shareholders or dividends. The rest—along with money we borrowed and obtained by sales of investments—was put back into the business to replace worn out equipment, to provide new equipment and make sure that we can continue to supply your needs in the future.

Bringing you oil is a big job . . . and a costly one

IMPERIAL OIL LIMITED

IS YOUR NAME ON OUR SERVICE SCHEDULE?

If not, we suggest you get it there as soon as possible. How? Simply by phoning us, or dropping in, and arranging for dates to put your farm equipment in shape ahead of season. Here's why I take my JOHN DEERE Equipment to the man who knows it Best!

There are three mighty important reasons why my John Deere Equipment goes to a John Deere Dealer for reconditioning.

First, I benefit from the skill of his trained mechanics, schooled in servicing methods recommended by John Deere. Second, his shop is well-equipped with up-to-date precision equipment. His mechanics have the tools to do the work right. Third, he uses only genuine John Deere Parts, which are made to fit and wear like the originals they replace. Thus, it's a three-way assurance of work well done . . . economically done.

It will pay you to consider the important servicing advantages we offer. See us soon for complete details.

Edgerton Board of Trade To Organize District Softball League

Two interesting sport items were discussed by the Board of Trade at its monthly meeting held on Tuesday last, and were passed over to the Sports Committee for further consideration and organization. The items were a district softball league and the Edgerton tennis club, the latter having been dormant for several years.

In view of the fact that there is considerable softball played in the district the Board felt that things could be made much more interesting if a league was organized on a competitive basis. The Sports Committee met on Sunday morning and decided to call a meeting at which a representative from each of the teams who were playing softball last summer would be present so that all details might be completed for a start as soon as the main rush of spring work is completed. This important meeting, open for all to attend, will be held next Saturday evening, April 22nd, in the Lumber Yard office.

A meeting will be convened to discuss tennis as soon as the Sports Committee has made contact with the latest elected officials of the defunct tennis club.

WEDDING BELLS

TRIGG — CORNFIELD

A quiet wedding was solemnized in the Grace United Church in Wainwright on Easter Monday when Eileen Elizabeth Cornfield, eldest daughter of Mr. and Mrs. Wm. Cornfield of Edgerton, became the bride of Mr. Cecil Thomas Trigg, eldest son of Mr. and Mrs. Charles Trigg of Chidogan.

The Rev. M. Debesen performed the ceremony. For her wedding, the bride chose a powder blue gingham dressmaker suit with matching and navy accessories. A corsage of American Beauty roses completed her ensemble and her jewelry being a gold watch and double strand of Lady Suzanne pearls, gifts of the groom.

Attending her was her younger sister Miss Jeannette Cornfield who wore a grey gabardine suit with pink accessories and a corsage of pink carnations. Best man was Mr. Leslie Trigg, brother of the bridegroom.

Later a reception for about 40 relatives was held at the home of the bride's parents where Mrs. Cornfield received, were a very floral display with a corsage of Tea roses.

Mrs. Trigg, mother of the bridegroom, who also received, chose a navy suit and a corsage of pink carnations. The bride's table which was laid with a white linen cloth was centred by an attractively decorated three-tiered cake (baked by a very skillful baker, Mr. Wm. Skene) proposed a toast to the bride.

Following the reception a dance was held in Rosebush Hall. After a short honeymoon, the young couple will reside in the Edgerton district.

How About A Little Tennis This Summer?

We have been asked by some tennis enthusiasts in Edgerton to urge that efforts be made to revive interest in intertown competition for the challenge cup which is now held by the Edgerton club. The club will gladly accept any challenge and will play where ever it is convenient.

A well organized league would provide a good summer of fun. Anyone interested please get in touch with G. G. Phillips, Edgerton.

DOLCY-BROWNING

The April meeting of the Dolcy-Browning F.W.U.A. was held at the hall. Ten members present. We were very glad to see our President, Mrs. Walter Scott back in the chair, after spending the winter at Wainwright and Edmonton.

The meeting was opened by reading the "Pam. Women's Creed" followed by "The Lord's Prayer". The minutes of our last meeting were approved as read.

The correspondence was read and it was moved by Mrs. Rice-Mrs. Gus Nelson, that they were satisfied with the answer from Mr. Wilson. N.A.D.P. Edgerton, regarding weight of cream. He gave us many reasons for this and wish to thank him for same, C.D.

Mrs. Ted Scott - Mrs. F. Alwood that we ask Mrs. McPeak to sew the quilt blocks for us, C.D.

Mrs. McPeak-Mrs. H. Scott that we write our M.P. and also the Minister of Finance, regarding depreciation on farm machinery which was 25% and is now only 15%. Mrs. Alwood will read the bulletin on "Horticulture" and Mrs. Gus Nelson the May bulletin on "Co-operation and co-operation".

We also decided to exchange birthday greetings among the members, to take the form of a visit, card or present.

Mrs. Harry Scott-Mrs. Alwood, that we order buns, wieners, soft drinks and cigarettes to sell for our gathering at the Dolcy-Browning hall. We also appointed or at least Mrs. Ted Scott volunteered to bring water when ever it was needed, but since the F.W.U.A. and F.W.U.A. got together to discuss a few motions, we hear that Pete is going to dig a well. Also "thanks" to Pete for the rope donated for the children's spring. Each one of the members are to donate one tea towel. Mrs. Harry Scott very kindly offered to wash the ones used at the doing.

Mrs. McPeak-Mrs. Harry Scott, that the Browning F.W.U.A. cupboard at the Browning school be moved to the Dolcy-Browning hall as the children had no use for it at the school. It was decided to work towards buying a slide for the little children, to be used on the play ground.

We also decided on a card party and dance to be held at the hall on April 11. We are going to try to get the "Hop-note" Orchestra. After our meeting adjourned we got together with the F.W.U.A. and it was decided that the executive of the F.W.U.A. and the F.W.U.A. act as playground committee.

Mr. and Mrs. G. G. Phillips journeyed to Innisfail on Sunday.

Mr. Oll Wuttunen is spending a week leave at the home of Mr. and Mrs. Sawyer.

The Constable family moved away from Edgerton last Monday.

Mr. and Mrs. Jack Challenger of Wainwright, were visitors at the home of Mr. and Mrs. W. R. Challenger on Sunday.

Mrs. A. Pierce and Mrs. Lance Johnson arrived in England safely on April 16th.

Card of Thanks

I wish to thank the Doctors, Nurses and Hospital Staff for their kindness to me and also all my friends and different organizations who sent flowers, fruit, candy, cards, letters and who visited me while I was a patient in the Wainwright Hospital.

(p) MRS. E. CASTLE

Card of Thanks

On behalf of our son, Torrence, we would like to take this opportunity of thanking the Doctors, Nurses and Hospital Staff of the Wainwright Memorial Hospital, and Dr. Hank for their splendid care given Torrence during his several stays in the hospital. Also the Ribstone School, Community Club and Church organizations for their donations and good wishes.

We would also like to thank Mrs. Reineke and Mrs. McLean for arranging to have their pupils visit Torry while he was confined at home, and a big thank you to Santa Claus for his visit at Christmas time. To those who provided transportation to and from the hospital our deepest appreciation.

MR. and MRS. G. NEFF and Family.

Card of Thanks

We are sorry to hear Percy Tribe was taken ill and had to be rushed to the hospital on Friday.

Mr. Percy Perkins left Monday night for Toronto, to meet his wife who has been in England during the winter.

Mrs. Everett Taylor and Sharon are visitors at the home of Mr. and Mrs. Louis Haydu in sick, we hope they will soon be better.

Mrs. H. Arneson held the lucky ticket on the box of candy raffied by the

We're Big Spenders!

That doesn't mean we're careless. It's just that in the course of turning out those fine Tex-made cotton products you know so well, we have to buy a great many things from all parts of the country.

We need packing cases and cardboard cartons, construction lumber, paper, potato and corn starches, coal, sulphuric acid, caustic soda, oils, lubricants and a hundred and one other things which we buy from fellow Canadians who grow or make them.

In addition to this the 12,500 men and women working in our plants, earn many millions of dollars a year in wages, dollars which are spent on foodstuffs from the farms of Canada, grains, cattle, hogs and poultry, fish from the fishermen on both coasts and the Great Lakes.

We are the customers of our fellow-Canadians just as they are our customers. We're proud to have a part in Canada's economic life by buying the goods which other Canadians grow, make or provide.
